

Literacy

In Literacy this term we will be:

- Creating information posters about Kangaroos.
- Writing and performing our own seaside poems.
- Writing a recount about our visit from Captivating Creatures.
- Writing an information booklet - How to be a good Year 1.

Science

In science this term we are learning about insects, reptiles and amphibians. Children will learn to name common insect, reptiles and amphibians and about the characteristics of these animals. We will also be sorting these animals into carnivores, herbivores and omnivores.

Music

I am a Musician - Children will be learning to keep the pulse and play a repeating 4 beat rhythm. They will use changes in pitch, tempo (dynamics) to represent different weather/ animal sounds

Art

Artist - Stephen Hogarth - Aboriginal artwork

We will be focussing on these skills in Art this term:

- Drawing using pencils, pens and oil pastels
- Mixing primary colours to make secondary colours
- Weaving
- Digital Art

Summer 2 - Year 1

Home and Away

Geography

Children will be learning to locate Australia on a world map. We will be learning about the climate of the Australia and how it compares to the UK. We will research and explore the landscapes of Australia. Children will also learn about people that live in Australia.

Maths

In Maths this term we will be learning about:

- Place Value to 100
- Money

PE

In PE we will be playing rounders and taking part in athletic activities.

Computing

Children will be introduced to on-screen programming through Scratch Jr. We will explore the way a project looks by investigating sprites and backgrounds. Children will use programming blocks to use, modify, and create programs. They will also be introduced to the early stages of program design through the introduction of algorithms.

PSHE

In PSHE we are answering the questions:

How can I stay safe in the sun?
Do I know how to keep myself safe?
What goes ONTO my body?
What goes INTO my body?
What are medicines and other dangerous substances?

RE

In RE this term, we are comparing churches and mosques and learning about Muslim stories.

Design & Technology

In DT this term we will be researching, designing, making and evaluating ice lollies.
