

Literacy

In Literacy this term we will be:

- Story writing based around the story Emma Jaynes Aeroplane by Katie Haworth
- Character & setting descriptions
- Writing a recount about our trip to Magna
- Writing Instructions using bossy verbs

Maths

Year 1 In Maths this term we will be learning about:

- Place value to 20
- Teen numbers
- Addition and subtraction within 20.

Year 2 In maths this half term we will be learning about:

- Money
- Multiplication and Division

Science

In science this term we are learning about materials. We will be visiting Magna and taking part in a 'Magic Materials' workshop to support our learning. We will be sorting between an object and the material from which it is made. Find & name a variety of everyday materials. Describing physical properties of everyday materials. Comparing and grouping materials based of their simple physical properties.

Art

Artist - LS Lowry - 'Level crossing' and 'Across the track'

We will be focussing on these skills in Art this term:

- Drawing using pencils, pastels and pens.
- Painting - adding black to make tints and white to tone.
- Paper and mosaic collage

Spring 1 - Year 1-2

Transport

Design & Technology

In DT this term we will be researching designing, making and evaluating our own vehicles with a fixed wheel axel. Y2s will be creating a vehicle with a moving wheel axel.

History

In History this term, we are learning all about the Wright Brothers. We will find out why they are famous and why they are significant people in History.

PE

In PE we will be continuing our Gymnastic progression and Live an Learn will be teaching Mini Trampolining.

Computing

In computing we will be creating digital music using Chrome Lab and comparing creating music digitally and non-digitally. Children will also look at patterns, purposefully create music and experiment creating sounds using the computer.

PSHE

In PSHE we are learning about how to stay healthy. This will healthy eating and healthy lifestyle choices.

RE

In RE this term, we are learning about Islam, which includes looking at artefacts, listening to Muslim stories and finding out about religious celebrations.

Music

I am a Composer - The children will be learning about pulse and rhythm and composing their own piece of music using graphic notation.
